MEMORANDUM FOR: Chief, Plans and Policy Staff, OTR

SUBJECT : Agency Military Reserve Training [REDACTED]

25X1A

1. Reference is made to your memorandum of 11 October 1960, subject as above, in which you suggest that the Operations School, OTR, be provided with an estimate of probable Agency Reserve Training requirements which [REDACTED] may be called upon to support.

25X1A

2. As you may know, representatives of the DD/I, DD/P and DD/S have been appointed under the provisions of [REDACTED] to advise the Director of Personnel on the utilization and training of Agency reservists. In view of the fact that the Inspector General, in his recent report of inspection of OTR, questioned the value of a reserve training program which is limited to [REDACTED] operations, this office has recommended that the committee, augmented by a representative from OTR, study this problem and recommend a suitable training program. It is anticipated that the questions raised in para 3 of your memo can be answered through this study and a determination received as to whether OTR can give at least partial support to such program.
